Shred Day 2021

Thank you to all members who stopped by our annual shred event we held this year. We had a fantastic turnout at the event, and we successfully shredded about 5,000 pounds worth of sensitive information to help prevent identity theft and fraud. We would also like to thank all members who donated non-perishable food. New Century FCU will be taking all donations and delivering them to a local charity.

Christmas Club Accounts

Christmas is right around the corner. On October 1, funds from members Christmas club accounts would have automatically transferred over to the savings account so that money will be available for the holidays. If you have a current Christmas club account, you can start putting money back into it for Christmas of 2022. If you don't have a Christmas club account and are looking for a good way to save money for the holidays, please give the credit union a call or stop in and we will be more than happy to set you up with one.

Refer-a-Member

Do you know someone who could benefit from joining the Credit Union? We are bringing back our Refer-a-Member campaign for the end of the year. Starting October 1 - December 31, for every individual that qualifies for membership that is referred to the credit union and opens an account, you will be entered into a drawing for a prize as well as the new member referred. What better time to have the chance to win a small gift right before the holidays as well as helping another individual have the benefits of New Century FCU. Keep an eye out for more details and updates.

Hats & Scarves & Gloves, OH MY!

Winter is right around the corner, and New Century Federal Credit Union is happy to announce we will be sponsoring a Hat, Scarf, and Glove Drive in an effort to give back to our community and assist those in need. If you are able, please consider donating new hats, gloves, and scarves to help those in need curb the upcoming cold weather. Due to COVID-19, we are unable to accept donations and distribution of any used items. **The drive will begin Monday, November 1st, through Friday, December 10th.** Donations will be accepted at our Joliet and New Lenox branches.

Digital Service Update

Due to the challenging times we are in, our digital services implementation scheduled for late summer has been delayed. Our service provider has experienced a shortage of both resources and staffing which affected the delivery of these services. While we understand this is an inconvenience to you, our member, we appreciate your patience on all of this. Implementation for New Century FCU has been pushed back until early February 2022. As a reminder, we will be upgrading our home banking system that will offer services to assist you in managing your accounts more efficiently such as a mobile app, bill payment, remote deposit, credit monitoring and *Zelle*[®]. We hope you understand the situation at hand given the tough times we are in. As the Credit Union gets more information and gets closer to the delivery date of these services, we will provide more details.

Signature Loan Special

With the holidays approaching, everyone could use a little more cash in their pockets, and we are here to help you meet your financial needs. **New Century will be offering signature loans to qualified borrowers at a rate of 9.9%.** Make sure to stop in and pick up an application or apply online at www.newcenturyfcu.org. Hurry while this opportunity lasts.
