

Celebrating over 80 years of member service!!!

Online Loan Apps Available August 1st!

You'll see a new button on the webpage saying "Apply Now!" That button will let you apply for any of our loans whenever you need to apply 24/7. Easy guides let you manage the loan process quickly and allow approvals much faster.

A new app called AskAuto can be downloaded to your phone. This app can give you the Black Book value of the vehicle you are interested in by hitting the research button and scanning the VIN#. Giving you the info you need to get your best deal when you need it most!

If that's the vehicle you decide to buy, the info transfers to your application in a few steps.

Start looking for "Apply Now" on the website August 1st! Any questions, give us a call today!

Member Protection Insurances Available

Two new insurance options will be available to members on August 1st!

The first is, **Guaranteed Asset Protection** or **GAP** insurance. This coverage helps fill the gap between what your vehicle insurance will pay and what you owe on your loan. It cushions you against out-of-pocket expenses if your vehicle is deemed a total loss.

The second is, **Mechanical Repair Coverage** or **MRC**. MRC is a high quality, comprehensive

coverage that pays for the cost of parts and labor for any covered vehicle mechanical repair.

MRC offers a matrix of terms to fit the members' needs and a choice of deductibles. It's good at any authorized, licensed repair facility in the U.S. or Canada.

Brochures for each coverage are available at either office or give us a call if you have questions.

Loyalty Rewards are still here!

Loyalty Rewards can lower our already low loan rates because you use other credit unions services, such as our checking account, our visa credit card, our debit card, a 2 year or more certificate of deposit or another loan. Using **Loyalty Rewards** can lower your you new loan rate by as much as 0.50% APR! Ask how Loyalty Rewards can lower your next loan rate!
