Take me out to the Ballgame

New Century FCU and the Joliet Slammers have partnered together this year to spread the word about the credit union. If you didn't have a chance to attend the last game we were at, don't worry, there are more to come. Invite family and friends to come on out to the park and visit us at the Joliet Slammers game on **Friday, July 19th**, or **Saturday, August 3rd**, for your chance to win a gift card and pick up some New Century FCU swag.

Core Migration

In order to keep up with the changing times, New Century FCU will be doing an internal core migration to a new system that will be more user friendly for staff and allow all staff to be able to access more information for members. The decision to make the move is based on the fact that the current system we are using slowly is phasing out certain aspects that does not allow the credit union to maximize its time when researching questions/issues. Our new system is also used by over 500 credit unions and will allow for better customer support to resolve problems. More updates will be provided as we get closer to our anticipated migration date, which is later this year.
